To Whom It May Concern:

For more than a year, Mark Alameel has served as our Director of Marketing here at The Decor Group, Inc. During that time, Mark has handled a number of complex projects—many of which required collaborating with other departments—that solved many long-standing issues with the company.

In addition to Mark's dedication and professionalism, he continually raised the bar with regard to the quality of the materials that our company produced, with world-class designs and finished products.

If you are looking for a talented, dedicated, professional, Mark would be a tremendous asset to any company looking to raise their game in the marketing department. If you have any questions, feel free to contact me directly at 806.441.1818.

Kindest Regards,
